

## Schedule and participation list SAVE-IT Scania visit

### Introduction

Thursday February 12th, 2009, the industrial PhD school SAVE-IT will visit Scania in Södertälje, see: [www.scania.se](http://www.scania.se). The visit will include a presentation of Scania's truck production and give insight of Scania's production philosophy. Organizers for the Scania visit are the SAVE-IT coordinator Andreas Ermedahl, and the SAVE-IT PhD student Håkan Gustavsson.

The visit also includes an ICES-seminar on industrial test and verification, see: [http://www.kth.se/itm/centra/ices/calender/ices-events/1.25531?l=en\\_UK](http://www.kth.se/itm/centra/ices/calender/ices-events/1.25531?l=en_UK)
